**SIMPRO**

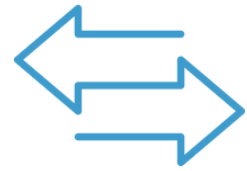

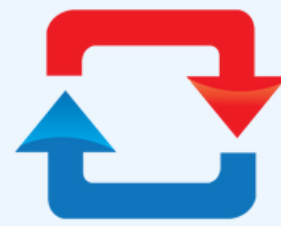

Jobs / Quotes / Sites

 **Google Drive**

Shared Drive  
Or  
My Drive

Seaparate parent folder selected for every Job/Quote or Site.

- Real-Time Two-Way Sync: Keep your files updated and available to all team members instantly.

- Centralized Document Access: Google Drive allows for quick sharing and storage, replicating Simpro's folder structure.

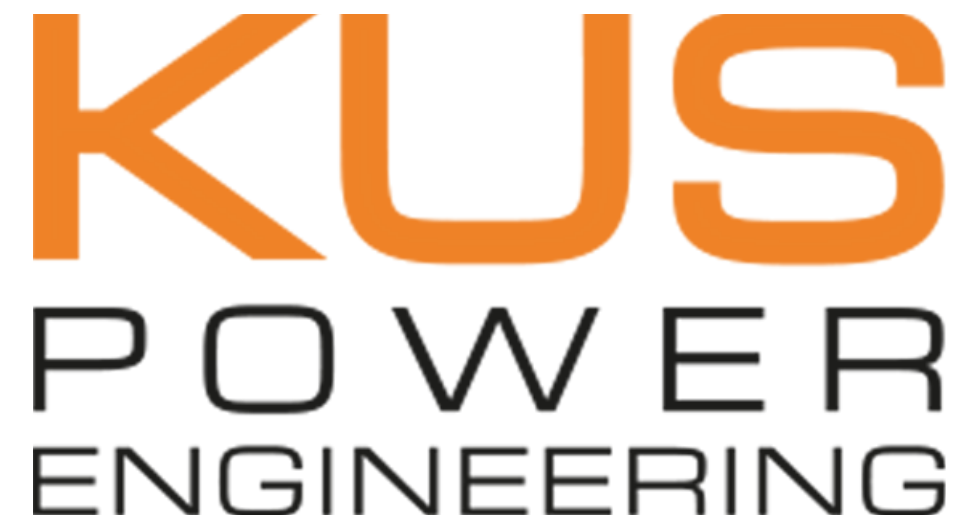

- Edit Files with Desktop Apps: Changes to files are automatically synced back to Simpro.

- Efficiency Gains: Streamline your workflow, letting Simpro and Google Drive work together.
