Pro-Life Declaration I Stand for Life

- ☐ I believe that **every human being is a unique and unrepeatable gift of God**, made in His image and likeness in order to know, love, and serve Him in this life, and to be happy with Him forever in Heaven.
- ☐ I believe that **every human life begins at the moment of conception** and lasts until natural death.
- ☐ I believe that **all people are endowed by their Creator with the inalienable right to life**, for without that right, no other individual rights are possible.
- ☐ I believe that **abortion deprives an innocent person of their life**, their most basic human right, and therefore it is gravely evil and never permissible, even in the cases of rape or incest.
- ☐ I believe that **life should be lived with dignity** until the moment of natural death. Suicide and euthanasia should never be condoned. Instead, dying patients should receive loving care, spiritual support, and appropriate remedies for pain until the moment of natural death.
- ☐ I believe that **we should extend God's love and compassion** to all who have been impacted by the effects of abortion. This includes all who are confused and frightened in today's culture of death.

"It's an abomination to God, the Culture of Death... (is) the only one who has a right to create life and call forth to Himself. The only one! You don't have a right don't have a right. Nobody has a right to call death upon someone God has called to life."

Promote offers and opportunities that resonate deeply.

As part of a paid media acquisition campaign for the Slavic Gospel Association (SGA), a free eBook was offered as a resource to strengthen users' faith. Ads promoting the eBook directed users to a landing page where they could learn more about the tool for spiritual growth and submit their name and email to download it. This initial interaction paved the way for users to receive more information about the work of SGA-supported churches that minister to thousands of orphans each year in former Soviet Nations.

Slavic Gospel Association is a 501(c)(3) nonprofit organization. All donations are tax-deductible to the extent allowed by law.

EWTN Global Catholic Network's bilingual digital fundraising campaign, Mary, My Mother, was designed to reach and engage Spanish-speaking audiences in the U.S. Users were invited to deepen their faith and build a stronger digital connection with EWTN.

Digizent created and built a landing page that provided a clear path for the audience to sign up and download the eBook, take immediate action, accept the invitation to donate, and understand how their support would directly expand EWTN's outreach and help bring the Gospel message to more people.

Acquiring new names and attracting donors.

Prior to the November 2024 U.S. presidential election, Digizent helped Intercessors for America (IFA) expand their audience through name acquisition and convert donors who would deeply connect with IFA's mission to inform, connect, and mobilize people to pray and fast for the nation and its leaders. Campaign elements included ads, landing pages, donation forms, and an

email drip welcome series. The landing pages were a key part of the strategy in connecting ad responders to receiving two different free resources. In exchange for email address submissions, users received the 2024 Election Prayer Guide. The donor acquisition campaign offered new donors the free book, *We Declare: 31 Days of Intercession for America*.
