JEFF'S STORY

In 2024, Jeff Harris chose Pacer to elevate the performance of his rental portfolio, and the results quickly exceeded expectations. In Jeff's own words, "the results they produced were amazing."

Within just 60 days of onboarding, Jeff's properties saw measurable improvement, culminating in a remarkable **44% increase in Peak Winter (Dec-Mar) RevPAR**, climbing from \$189 to \$272.

The momentum didn't stop there: **Pacer drove sustained year-over-year gains in nearly every subsequent month**. Overall, **Jeff's portfolio outperformed the market by a substantial margin**, showcasing the effectiveness of Pacer's data-driven strategy and hands-on execution.
