SUCCESS STORIES

- Delivered a **10x return** for a financial institution
- Helped a publisher achieve a **Return of 525%**
- Helped a local ad agency **increase revenue**

How We’re Different

1. **Real People**
   We are THE people-based PII data provider. While other companies merely sell data, we sell knowledge.

2. **Permission-Based**
   We champion an ethical, forward-thinking approach to privacy and compliance. Our profiles on real people are updated monthly to ensure the utmost accuracy and adherence to industry, federal, and state regulations.

3. **Proven Performance**
   Our unrivaled people-based intelligence fuels nearly 100,000 campaigns every year. Our data is active- not only do our customers leverage it in their campaigns, we use it too.

4. **Third Party Verified**
   Alaris has been top ranked for two years in a row by Truth{set}, an independent firm that measures audience data quality.

How to Leverage

- Better Understand Your Customers
- Run Better Ad Campaigns
- Data Licensing
- Measure Transparent Results
