

# HOLMAN SMALL BUSINESS SOLUTIONS

## PURCHASE – FINANCE – UPFIT – DELIVER – LIQUIDATE

*Holman Small Business Solutions provides a streamlined, technology-driven approach to vehicle purchasing, financing, and selling designed to save you time and money.*

### ***Simplified Buying & Selling***

Let us handle the entire process - from buying to selling, and everything in between.

- Source trade-specific vehicles built for your business needs
- Save money with factory direct ordering
- Leverage dealership network to source vehicles during emergencies
- Liquidate vehicles quickly and generate immediate cash flow

### ***Flexible Funding Options***

Funding solutions without the limitations of a typical dealership lease.

- Tailor payment amounts to meet your budget and ownership goals
- Get pre-approved for credit and expedite buying process
- Avoid penalties for excess mileage and vehicle damage
- Refinance vehicles to increase cash flow and lower payments

### ***Cost Control***

Services & technologies that provide savings and operating efficiencies.

- Maintenance
- Fuel Management
- Insurance
- Reporting/Analytics
- Consolidated Billing

*Ready to streamline your company's vehicle management, reduce your administrative burden, and better control costs? Connect with us today!*
