

The Chef Upsell for Vacation Rental Managers

Yhangry is a private chef marketplace that lets your guests book chef experiences directly at your properties - stand out, delight guests, and earn more - without changing how you operate.

Why Vacation Rental Managers Choose Yhangry

Drive Revenue: Earn ~\$75 per guest booking.

Zero Cost: It's completely free to offer yhangry. No setup fees. No subscriptions.

Zero Extra Work: yhangry handle everything: Chef sourcing, payments & logistics, guest communication & support.

Wow Your Guests: Every booking is unique with bespoke menus carefully curated by chefs for your guests

A Better Stay. A New Revenue Stream. Zero Effort.

How to get started

Since no two property managers or guests are alike, Yhangry recommends a 20-minute demo call - to learn about your business and create tailored copy and touchpoints that introduce the service seamlessly to your guests.
