

# SIMPRO®

 **Infusionsoft**  
by Keap

**Infusionsoft**

## Seamless Customer Data Sync

Effortlessly transfer customer information between Simpro and Infusionsoft, ensuring consistency and accuracy in your CRM and service management systems.

## Automated Job Updates

Keep customers informed with automated job status updates, service reminders, and appointment confirmations, enhancing customer satisfaction and reducing manual communication efforts.

## Marketing Automation

Leverage customer data from Simpro to create targeted marketing campaigns in Infusionsoft. Send personalised offers, follow-ups, and nurture leads for increased conversions and revenue.

## Billing and Invoicing Integration

Sync billing and invoicing details from Simpro to Infusionsoft, streamlining financial processes and improving payment tracking and reconciliation.

## Enhanced Reporting and Analytics

Utilize combined data from both platforms to gain valuable insights into customer behavior, job performance, and marketing ROI, aiding in informed decision-making and business growth.
