Cut Costs

Say goodbye to expensive cable bills and hidden fees.

Access live TV and streaming apps at no extra cost for you or your guests.

Guests can binge-watch their favorite shows, stream live news, or catch the sports events. Streaming services are a must-have for modern vacation rentals.

Delight Your Guests

Part of a Smart Rental Ecosystem

Works seamlessly with Lynx's other smart features, including smart locks and automation tools.

Creates a fully integrated tech-forward experience for your guests.

Features like Guest Mode let guests safely log in and automatically sign out at checkout.

Secure and Convenient

Effortless Setup

No messy cable installations or additional hardware.

Perfect for vacation rentals, hotels, and short-term properties.

What You'll Get with Lynx Hospitality TV

Showcase Your Brand: Reinforce your identity by branding & white labeling

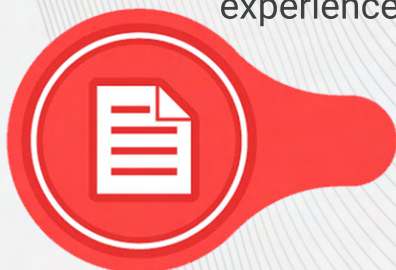

Transforms **any TV into a branded experience** with your property's name, logo, and personalized details.
